

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Timm
DOCKET NO.: 19-07793.001-R-1
PARCEL NO.: 05-10-203-029

The parties of record before the Property Tax Appeal Board are Mark Timm, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,466
IMPR.: \$48,914
TOTAL: \$56,380

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,222 square feet of living area. The dwelling was constructed in 1966. Features of the home include a lower level and a 440 square foot garage. The property has a 10,080 square foot site and is located in Fox Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales duplicated in two grids. The comparables are located from 0.15 to 0.61 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 10,080 to 46,720 square feet of land area and are improved with 1-story or 1.5-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 1,288 to 2,244 square feet of living area. The dwellings were built from 1948 to 1968 with the oldest

home having an effective age of 1962. Three homes each have a basement, one of which has a recreation room, one home has a lower level, and one home has a crawl-space foundation. Three homes have central air conditioning. Each home has a fireplace and a garage ranging in size from 280 to 714 square feet of building area. The comparables sold from February 2016 to October 2018 for prices ranging from \$115,000 to \$189,000 or from \$67.53 to \$124.63 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment to \$34,302 which would reflect a market value of \$102,916 or \$84.22 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,380. The subject's assessment reflects a market value of \$171,420 or \$140.28 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables are located from 0.12 to 0.68 of a mile from the subject property and four comparables are located within the same assessment neighborhood code as the subject. The parcels range in size from 7,160 to 18,300 square feet of land area and are improved with one-story homes of wood siding exterior construction ranging in size from 1,004 to 1,294 square feet of living area. The dwellings were built from 1945 to 1998 with the oldest home having an effective age of 1975. Each home has a lower level and one or two garages ranging in size from 400 to 828 square feet of building area. Four homes have central air conditioning and two homes each have a fireplace. The comparables sold from March to July 2019 for prices ranging from \$158,000 to \$224,000 or from \$133.56 to \$179.28 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #4, and #5, which sold less proximate in time to the January 1, 2019 assessment date. The Board gives less weight to the appellant's comparable #3 and the board of review's comparables #3 and #5, due to substantial differences from the subject in foundation type and/or age.

The Board finds the best evidence of market value to be the board of review's comparables #1, #2, and #4, which are similar to the subject in dwelling size, age, location, and some features.

These most similar comparables sold from March to June 2019 for prices ranging from \$158,000 to \$214,000 or from \$133.56 to \$175.79 per square foot of living area, including land. The subject's assessment reflects a market value of \$171,420 or \$140.28 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
