

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charlene Quint
DOCKET NO.: 19-07796.001-R-1
PARCEL NO.: 07-07-208-003

The parties of record before the Property Tax Appeal Board are Charlene Quint, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,544
IMPR.: \$154,462
TOTAL: \$180,006

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,915 square feet of living area. The dwelling was constructed in 1990. Features of the home include a basement with a recreation room, central air conditioning, two fireplaces, and an 870 square foot garage. The property has an approximately 27,500 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales duplicated in two grids. The comparables are located from 0.22 of a mile to 1.01 miles from the subject property and within the same assessment neighborhood code as the subject. The parcels range in size from 25,210 to 58,300 square feet of land area and are improved with 1.5-story or 2-story homes of wood siding exterior construction ranging in size from 2,893 to 3,364 square feet of living area. The

dwelling were built from 1988 to 1992. Each home has a basement, four of which have a recreation room, central air conditioning, one or two fireplaces, and a garage ranging in size from 441 to 902 square feet of building area. The comparables sold from November 2016 to December 2019 for prices ranging from \$300,000 to \$400,000 or from \$101.74 to \$132.36 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment to \$140,025 which would reflect a market value of \$420,117 or \$107.31 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$180,006. The subject's assessment reflects a market value of \$547,297 or \$139.79 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales duplicated in two grids. The comparables are located from 0.49 of a mile to 1.29 miles from the subject property. The parcels range in size from 10,450 to 233,750 square feet of land area and are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 3,582 to 3,916 square feet of living area. The dwellings were built from 1990 to 2002. Each home has a basement, two of which have a recreation room, central air conditioning, a fireplace, and a garage ranging in size from 697 to 766 square feet of building area. The comparables sold from June 2018 to May 2020 for prices ranging from \$470,000 to \$560,000 or from \$124.04 to \$152.15 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2, which sold less proximate in time to the January 1, 2019 assessment date. The Board gives less weight to the appellant's comparables #4 and #5 and the board of review's comparable #1, due to significant differences from the subject in design, dwelling size, and/or lot size.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #2 and #3, which are relatively similar to the subject in dwelling size, age, location, and features. These most similar comparables sold in June and October 2018 for prices ranging from \$361,000 to \$545,000 or from \$107.31 to \$152.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$547,297 or

\$139.79 per square foot of living area, including land, which is above the range established by the best comparable sales in terms of total market value but within the range on a price per square foot basis, which appears to be justified because the subject is a larger home than the best comparables. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
