

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Lang  
DOCKET NO.: 19-07806.001-R-1  
PARCEL NO.: 15-28-207-041

The parties of record before the Property Tax Appeal Board are Stephen Lang, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$41,784  
**IMPR.:** \$120,375  
**TOTAL:** \$162,159

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a tri-level dwelling of wood siding exterior construction with 1,777 square feet of living area. The dwelling was constructed in 1988 and has an effective age of 1990. Features of the home include a basement with a recreation room, a lower level, central air conditioning, a fireplace, and a 420 square foot garage. The property has an approximately 13,900 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. The comparables are located from 0.26 to 0.33 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with tri-level homes of wood siding exterior construction ranging in size from 1,760 to 2,153 square feet of living area. The dwellings were built in 1987 and have

effective ages ranging from 1989 to 1993. Each home has a basement, one of which has a recreation room, a lower level, central air conditioning, and a 420 square foot garage. One home has a fireplace. The comparables have improvement assessments ranging from \$112,696 to \$133,469 or from \$61.99 to \$64.66 per square foot of living area.

Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$112,946 or \$63.56 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$162,159. The subject property has an improvement assessment of \$120,375 or \$67.74 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables. The comparables are located from 0.17 to 0.52 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The comparables are improved with tri-level homes of wood siding exterior construction ranging in size from 1,640 to 1,888 square feet of living area. The dwellings were built in 1987 and 1988 and four comparables have effective ages ranging from 1989 to 1992. Each home has a basement, one of which has a recreation room, and a lower level, one of which has finished area. Other features of the comparables include central air conditioning and a 420 square foot garage. Four homes each have one or two fireplaces. Comparable #2 has an inground swimming pool. The comparables have improvement assessments ranging from \$112,396 to \$128,886 or from \$64.66 to \$68.53 per square foot of living area.

Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #2, which is a much larger home than the subject dwelling, and to the board of review's comparable #2, which has an inground swimming pool that is not a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #3 and the board of review's comparables #1, #3, #4, and #5, which are similar to the subject in design, dwelling size, age, location, and some features. These comparables have improvement assessments that range from \$112,396 to \$128,886 or from \$64.03 to \$68.53 per square foot of

living area. The subject's improvement assessment of \$120,375 or \$67.74 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
