

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert and Karen Wallace
DOCKET NO.: 19-07825.001-R-1
PARCEL NO.: 07-34-301-024

The parties of record before the Property Tax Appeal Board are Robert and Karen Wallace, the appellants, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,678
IMPR.: \$104,212
TOTAL: \$153,890

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.75-story dwelling of brick exterior construction with 3,348 square feet of living area. The dwelling was constructed in 1988. Features of the home include a basement with finished area, central air conditioning, two fireplaces and an 823 square foot garage. The property has an approximately 51,790 square foot site and is located in Waukegan, Warren Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on five comparable sales located from 0.14 of a mile to 1.30 miles from the subject property. The comparables have sites that range in size from 43,340 to 46,780 square feet of land area and are improved with either a 1-story, a 1.5-story or a 2-story dwelling of brick or wood siding exterior construction that range in size from 3,377 to 4,197 square feet of living area. The dwellings were built from 1988 to 1999. Each comparable has a

basement, four with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 672 to 905 square feet of building area. The properties sold from February 2017 to October 2018 for prices ranging from \$430,000 to \$477,000 or from \$113.18 to \$134.73 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$131,887 which reflects a market value of \$395,701 or \$118.19 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$153,890. The subject's assessment reflects a market value of \$467,893 or \$139.75 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.36 of a mile from the subject property. The comparables have sites that range in size from 28,010 to 72,750 square feet of land area and are improved with either a 1-story, a 1.5-story or a 2-story dwelling of wood siding or brick and wood siding exterior construction that range in size from 2,903 to 3,752 square feet of living area. The homes were built from 1993 to 1998. Each comparable has a basement, two with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 717 to 1,299 square feet of building area. Comparable #2 also has an inground swimming pool. The properties sold from April 2018 to November 2019 for prices ranging from \$490,000 to \$552,500 or from \$133.37 to \$168.79 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to the appellants' comparables #1 through #4 which differ from the subject in dwelling size and/or sold in 2017, less proximate in time to the January 1, 2019 assessment date than other comparable sales in the record. The Board also gives less weight to the board of review comparable #2 which has an inground swimming pool unlike the subject.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, dwelling size and some features. These comparables sold from April 2018 to November 2019 for prices ranging from \$455,000 to \$552,500 or from \$133.37 to \$151.16 per square foot of living area, including land. The subject's assessment reflects a market value of \$467,893 or \$139.75 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After

considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
