

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ashwin Mandaliya
DOCKET NO.: 19-07837.001-R-1
PARCEL NO.: 07-03-306-015

The parties of record before the Property Tax Appeal Board are Ashwin Mandaliya, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,775
IMPR.: \$171,775
TOTAL: \$201,550

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 4,396 square feet of living area. The dwelling was constructed in 2006. Features of the home include a basement that is finished with a recreation room, central air conditioning, one fireplace, and a 558 square foot garage. The property has a 40,670 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from .84 to 1.63 miles from the subject. The comparables have sites that range in size from 40,010 to 44,180 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that were built in 2004 or 2005. The dwellings range in size from 3,732 to 4,843 square feet of living area. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a

garage ranging in size from 528 to 716 square feet of building area. The comparables sold from March 2017 to November 2019 for prices ranging from \$422,000 to \$475,000 or from \$87.14 to \$116.83 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$201,550. The subject's assessment reflects a market value of \$612,800 or \$139.40 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within .39 miles from the subject. The comparables have sites ranging in size from 40,110 to 45,430 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that were built in 2005 or 2006. The dwellings range in size from 3,574 to 4,167 square feet of living area. Each comparable has a basement, two of which are finished with a recreation room, central air conditioning, one fireplace and a garage ranging in size from 714 to 810 square feet of building area. The comparables sold from January 2018 to March 2019 for prices ranging from \$535,000 to \$605,000 or from \$132.39 to \$151.09 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and to board of review comparable #2 which have unfinished basements unlike the subject. Furthermore, four of the appellant's comparables are located over 1.6 miles from the subject with one comparable that sold less in 2017 which is less proximate in time to the subject's January 1, 2019, assessment date and is less likely to be reflective of market.

The Board finds the best evidence of the subject's market value to be board of review comparables #1 and #3 which are more similar to the subject in location, age, dwelling size and features. The comparables sold in January and July 2018 for prices of \$535,000 and \$605,000 or \$132.39 and \$145.19 per square foot of living area, including land. The subject's assessment reflects a market value of \$612,800 or \$139.40 per square foot of living area, including land, which is bracketed by the two best comparable sales in the record on a price per square foot basis and is somewhat higher on overall value. However, after considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the appellant failed to prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
