

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dino Roupas
DOCKET NO.: 19-07888.001-R-1
PARCEL NO.: 02-28-401-015

The parties of record before the Property Tax Appeal Board are Dino Roupas, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,265
IMPR.: \$71,120
TOTAL: \$82,385

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,264 square feet of living area. The dwelling was constructed in 1996 and is 23 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 441 square foot garage. The property has an approximately 8,280 square foot site and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis and Multiple Listing Service (MLS) sheets with information on five comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 8,276 to 15,682 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,092 to 2,467 square feet of living area. The dwellings range in age from 20 to 23

years old. Each comparable has a basement, four with finished area,¹ central air conditioning and either a 2-car or a 3-car garage. Four comparables each have one fireplace. The properties sold from April 2016 to September 2019 for prices ranging from \$171,000 to \$242,500 or from \$81.74 to \$107.41 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$73,018 which reflects a market value of \$219,076 or \$96.76 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$82,385. The subject's assessment reflects a market value of \$250,486 or \$110.64 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 7,840 to 12,200 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 1,995 to 2,467 square feet of living area. The homes were built from 1994 to 1998. Each comparable has a basement, three with finished area, central air conditioning and a garage with either 441 or 630 square feet of building area. Four comparables each have one fireplace. The properties sold from August 2018 to July 2019 for prices ranging from \$257,900 to \$271,249 or from \$109.40 to \$129.27 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3 and #5 which sold in 2016 or 2017, less proximate in time to the January 1, 2019 assessment date than other comparables in the record.

The Board finds the best evidence of market value to be the remaining comparables which sold more proximate in time to the assessment date at issue and are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from August 2018 to September 2019 for prices ranging from \$223,000 to \$271,249 or from \$90.93 to \$129.27 per square foot of living area, including land. The subject's assessment reflects a market value of \$250,486 or \$110.64 per square foot of living area, including land, which falls within

the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
