

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bernadeta Kordas
DOCKET NO.: 19-07895.001-R-1
PARCEL NO.: 14-25-404-001

The parties of record before the Property Tax Appeal Board are Bernadeta Kordas, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,377
IMPR.: \$111,661
TOTAL: \$163,038

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 2,562 square feet of living area. The dwelling was constructed in 1964. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 680 square foot garage. The property has an approximately 47,250 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located in the same assessment neighborhood as the subject property. The comparables have sites that range in size from 39,898 to 43,344 square feet of land area and are improved with one-story or two-story dwellings of brick or brick and frame exterior construction that range in size from 2,520 to 2,853 square feet of living area. The dwellings were built from 1964 to 1976. Each comparable has an unfinished

basement, one fireplace and a garage ranging in size from 462 to 830 square feet of building area. Four comparables have central air conditioning. The properties sold from April 2017 to May 2019 for prices ranging from \$450,000 to \$498,500 or from \$172.04 to \$181.10 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$150,912 which reflects a market value of \$452,781 or \$176.73 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$163,038. The subject's assessment reflects a market value of \$495,707 or \$193.48 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.25 of a mile from the subject and in the same assessment neighborhood code as the subject property. Board of review comparables #2 and #3 are the same properties as the appellant's comparables #5 and #2, respectively which were previously described. The board of review's comparable #1 has 40,500 square feet of land area and is improved with a one-story dwelling of brick exterior construction that has 2,969 square feet of living area. The home was built in 1975 and has an effective year built of 1985. The property has an unfinished basement, central air conditioning, one fireplace and a 998 square foot garage. The properties sold from August 2018 to July 2019 for prices ranging from \$460,000 to \$565,000 or from \$174.73 to \$190.30 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as two properties were common to both parties. The Board gives less weight to the appellant's comparables #1, #3 and #4 along with board of review comparable #1 which differ from the subject in age/effective age, design and/or sold in 2017, less proximate in time to the January 1, 2019 assessment date than other comparables in the record.

The Board finds the best evidence of market value to be the two common comparables which are more similar to the subject in location, age, design, dwelling size and other features. These two best comparables sold in August 2018 and May 2019 for prices of \$460,000 and \$498,500 or for \$174.73 and \$181.10 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$495,707 or \$193.48 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record on an overall

basis and above on a per square foot basis. Given the subject's somewhat larger site size, compared to the two best comparables in the record, a slightly higher per square foot value appears logical. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
