

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mon Ami Realty, LLC
DOCKET NO.: 19-07910.001-R-1
PARCEL NO.: 06-28-121-009

The parties of record before the Property Tax Appeal Board are Mon Ami Realty, LLC, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,055
IMPR.: \$23,631
TOTAL: \$30,686

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 864 square feet of living area. The dwelling was constructed in 1962. Features of the home include a crawl space foundation and a 484 square foot garage. The property has an approximately 6,100 square foot site and is located in Round Lake Park, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis and Multiple Listing Service (MLS) information on four comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 4,356 to 6,530 square feet of land area and are improved with one-story dwellings of wood or vinyl siding exterior construction that range in size from 864 to 1,152 square feet of living area. The dwellings were built from 1962 to 1991.

Three comparables have a crawl space foundation,¹ each comparable has central air conditioning, and three comparables have a garage ranging in size from 308 to 576 square feet of building area. The properties sold from February 2017 to January 2019 for prices ranging from \$70,000 to \$114,000 or from \$76.16 to \$98.96 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$25,565 which reflects a market value of \$76,703 or \$88.78 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,686. The subject's assessment reflects a market value of \$93,299 or \$107.98 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.39 of a mile from the subject and in the same assessment neighborhood code as the subject property. The comparables have sites with either 4,360 or 4,790 square feet of land area and are improved with one-story dwellings of wood or vinyl siding exterior construction that have 864 or 960 square feet of living area. The homes were built from 1961 to 1975. Two comparables have a basement with one having finished area and two comparables have a crawl space foundation. Three comparables have central air conditioning and three comparables have a garage ranging in size from 484 to 672 square feet of building area. The properties sold from May 2018 to March 2019 for prices ranging from \$123,625 to \$146,000 or from \$131.25 to \$168.98 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3 and #4 which sold in 2017, less proximate in time to the January 1, 2019 assessment date than other comparables in the record. The Board gives less weight to the board of review comparables #1 and #4 which differ in foundation type when compared to the subject.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design and identical to the subject in dwelling size. These comparables sold from August 2018 to March 2019 for prices ranging from \$70,000 to

\$146,000 or from \$81.02 to \$168.98 per square foot of living area, including land. The subject's assessment reflects a market value of \$93,299 or \$107.98 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
