

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mon Ami Realty, LLC  
DOCKET NO.: 19-07911.001-R-1  
PARCEL NO.: 06-20-422-001

The parties of record before the Property Tax Appeal Board are Mon Ami Realty, LLC, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,597  
**IMPR.:** \$29,836  
**TOTAL:** \$36,433

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story single-family dwelling of vinyl siding exterior construction with 1,512 square feet of living area. The dwelling was constructed in 1940 and features an unfinished basement and a 456 square foot garage. The property has an approximately 5,230 square foot site and is located in Round Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis and Multiple Listing Service (MLS) information on three comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 5,230 to 6,100 square feet of land area and are improved with one-story dwellings of vinyl or wood siding exterior construction that range in size from 960 to 1,558 square feet of living area. Comparable #3 is described as a "Duplex Side

by Side” in the MLS sheet which also includes rental information for the two units. The dwellings were built from 1936 to 1970. Two comparables have a crawl space foundation,<sup>1</sup> one comparable has central air conditioning and a fireplace and one comparable has a 364 square foot garage. The properties sold from October 2018 to January 2019 for prices of \$50,000 or \$97,500 or from \$32.09 to \$66.42 per square foot of living area, land included. Based on this evidence, the appellant requested the subject’s assessment be reduced to \$25,297 which reflects a market value of \$75,899 or \$50.20 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$36,433. The subject's assessment reflects a market value of \$110,772 or \$73.26 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.54 of a mile from the subject and in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 4,790 to 25,980 square feet of land area and are improved with one-story dwellings of vinyl or wood siding exterior construction that range in size from 1,298 to 1,509 square feet of living area. The homes were built from 1952 to 1996. Two comparables have a basement with one having finished area and one comparable has a crawl space foundation. Two comparables have central air conditioning and a garage with either 440 or 528 square feet of building area. One comparable has a fireplace. The properties sold from March 2018 to November 2019 for prices ranging from \$125,000 to \$166,000 or from \$82.84 to \$127.89 per square foot of living area, land included. Based on this evidence, the board of review requested the subject’s assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board’s consideration. The Board finds that the appellant’s comparables differ from the subject in age, dwelling size, foundation type and multi-family design while the board of review’s comparables differ from the subject in age, site size, and foundation type. Nevertheless, these comparables sold from March 2018 to November 2019 for prices ranging from \$50,000 to \$166,000 or from \$32.09 to \$127.89 per square foot of living area, including land. The subject's assessment reflects a market value of \$110,772 or \$73.26 per square foot of living area, including land, which falls within the range established by

the comparable sales in this record. On this limited record, and after considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
