

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: CSMA BLT, LLC  
DOCKET NO.: 19-07983.001-R-1  
PARCEL NO.: 04-21-101-014

The parties of record before the Property Tax Appeal Board are CSMA BLT, LLC, the appellant, by attorney Abby L. Strauss of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,686  
**IMPR.:** \$27,132  
**TOTAL:** \$31,818

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,064 square feet of living area. The dwelling was constructed in 1962. Features of the home include a basement and a 528 square foot garage. The property has a 7,400 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable sales with the same assessment neighborhood code as the subject and located within .75 of a mile from the subject property. The comparables have sites that range in size from 7,010 to 9,000 square feet of land area and are improved with one-story dwellings of aluminum or wood siding exterior construction ranging in size from 1,056 to 1,174 square feet of living area. The dwellings were built from 1960 to 1972. Each comparable has a basement, five comparables have central air conditioning and five

comparables each have a garage ranging in size from 260 to 528 square feet of building area. The properties sold from September 2017 to August 2019 for prices ranging from \$45,000 to \$90,000 or from \$41.94 to \$84.59 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$24,649, which would reflect a market value of \$73,954 or \$69.51 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,818. The subject's assessment reflects a market value of \$96,741 or \$90.92 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .89 of a mile from the subject property. The comparables have sites that range in size from 6,010 to 7,150 square feet of land area and are improved with one-story dwellings of aluminum or wood siding exterior construction ranging in size from 1,008 to 1,073 square feet of living area. The dwellings were built from 1964 to 1971. One comparable has a crawl space foundation and four comparables have basements. Three comparables have central air conditioning and three comparables each have a garage ranging in size from 288 to 576 square feet of building area. The properties sold from May 2018 to October 2019 for prices ranging from \$102,500 to \$131,000 or from \$96.33 to \$125.96 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 13 suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #4, #5, #6 and #7 as their sale dates occurred in 2017 which are dated and less likely to be indicative of the subject's market value as of the January 1, 2019 assessment date.

The Board finds the best evidence of market value to be the parties' remaining comparables, which sold proximate in time to the assessment date at issue and are similar to the subject in location, dwelling size, design and age. However, the Board finds these comparables have features with varying degrees of similarity when compared to the subject. Nevertheless, the comparables sold from January 2018 to December 2019 for prices ranging from \$52,000 to \$131,000 or for \$46.43 to \$125.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$96,741 or \$90.92 per square foot of living area, including

land, which falls within the range established by the best comparable sales in the record both in terms of overall market value and on a price per square foot basis. Therefore, based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
