

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: CSMA BLT, LLC  
DOCKET NO.: 19-07984.001-R-1  
PARCEL NO.: 06-18-406-023

The parties of record before the Property Tax Appeal Board are CSMA BLT, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,835  
**IMPR.:** \$37,856  
**TOTAL:** \$43,691

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a bi-level dwelling of wood siding exterior construction with 912 square feet of living area. The dwelling was constructed in 1972. Features of the home include a finished lower level and a garage containing 528 square feet of building area. The property has a 4,670 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 1.14 miles of the subject and within the subject's assessment neighborhood. The comparables consist of bi-level dwellings of wood siding or vinyl siding exterior construction ranging in size from 925 to 1,040 square feet of living area. The homes were built from 1939 to 1972, with the oldest home having an effective age of 1968. Each dwelling has a finished lower level, three comparables have

central air conditioning, and one comparable has a 576 square foot garage. The parcels range in size from 4,380 to 6,660 square feet of land area. The comparables sold from July 2017 to November 2018 for prices ranging from \$68,000 to \$137,000 or from \$72.19 to \$131.73 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$30,284, for an estimated market value of \$91,161 or \$99.96 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,691. The subject's assessment reflects a market value of \$132,840 or \$145.66 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 1.37 miles of the subject and within the subject's assessment neighborhood. The comparables consist of bi-level dwellings of wood siding or vinyl siding exterior construction ranging in size from 912 to 936 square feet of living area. The dwellings were built from 1971 to 1975. Each dwelling has a finished lower level, four comparables have central air conditioning, and three comparables each have a garage containing either 440 or 576 square feet of building area. The parcels range in size from 4,840 to 7,500 square feet of land area. The comparables sold from February 2018 to June 2019 for prices ranging from \$137,000 to \$175,000 or from \$150.22 to \$189.19 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 through #3 which sold less proximately to the January 1, 2019 valuation date at issue. The Board also gives reduced weight to appellant comparable #5, along with board of review comparables #1 and #2, which are located more than one mile from the subject.

The Board finds the best evidence of market value to be appellant's comparable sale #4 and board of review comparable sales #3 through #5, which are similar to the subject in age, dwelling size, location, and some features. These most similar comparables sold for prices ranging from \$90,000 to \$175,000 or from \$97.30 to \$189.19 per square foot of living area, including land. The subject's assessment reflects a market value of \$132,840 or \$145.66 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for

differences when compared to the subject such as central air conditioning and lack of garage, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
