

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: CSMA BLT, LLC
DOCKET NO.: 19-07985.001-R-1
PARCEL NO.: 06-17-312-025

The parties of record before the Property Tax Appeal Board are CSMA BLT, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,310
IMPR.: \$32,515
TOTAL: \$38,825

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 975 square feet of living area. The dwelling was constructed in 1971. Features of the home include a basement with finished area and a fireplace. The property has a 4,800 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within located within 1.01 miles of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of wood siding or vinyl siding exterior construction ranging in size from 960 to 1,056 square feet of living area. The homes were built from 1972 to 1978. Each comparable has a basement with two having finished area. Three comparables have central air conditioning and one comparable has a 396 square foot garage. The parcels range in size from

4,670 to 7,410 square feet of land area. The comparables sold from November 2017 to September 2019 for prices ranging from \$80,000 to \$103,000 or from \$75.76 to \$107.29 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$30,515, for an estimated market value of \$92,779 or \$95.16 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,825. The subject's assessment reflects a market value of \$118,045 or \$121.07 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 1.33 miles of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of wood siding or vinyl siding exterior construction each containing 975 square feet of living area. The dwellings were built in 1972 or 1973. Each dwelling has central air conditioning and a basement with three having finished area. Three comparables each have a garage ranging in size from 384 to 672 square feet of building area. The parcels range in size from 4,600 to 5,910 square feet of land area. The comparables sold from June 2018 to November 2019 for prices ranging from \$130,000 to \$168,000 or from \$133.33 to \$172.31 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of four comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #3 through #5 due to their garage feature, lack of finished basement area, remote sale dates, and/or location more than one mile from the subject. The Board also gives reduced weight to board of review comparables #1 through #4 due to their garage feature, lack of finished basement area, and/or location more than one mile from the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #2 along with board of review comparable sale #5, which are similar to the subject in age, location, dwelling size, and some features. These most similar comparables sold from July 2018 to September 2019 for prices ranging from \$87,400 to \$133,000 or from \$89.64 to \$133.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$118,045 or \$121.07 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after

considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
