

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joan Marshall  
DOCKET NO.: 19-08080.001-R-1  
PARCEL NO.: 10-01-202-004

The parties of record before the Property Tax Appeal Board are Joan Marshall, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$89,290  
**IMPR.:** \$177,800  
**TOTAL:** \$267,090

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 4,798 square feet of living area. The dwelling was constructed in 1991. Features of the home include an unfinished basement, two fireplaces and a 746 square foot garage. The property has a 29,257 square foot site and is located in Burr Ridge, Downers Grove Township, DuPage County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three suggested equity comparables located in the same neighborhood code as the subject property. The comparables were improved with two-story dwellings of frame exterior construction ranging in size from 3,274 to 4,073 square feet of living area. The dwellings were built from 1985 to 1994. The appellant reports that each comparable has an unfinished basement, two comparable have central air conditioning, each comparable has a fireplace and each comparable has a garage

ranging in size from 757 to 1,056 square feet of building area.<sup>1</sup> The comparables have improvement assessments ranging from \$106,030 to \$134,170 or from \$32.39 to \$32.94 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$156,798 or \$32.68 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$267,090. The subject property has an improvement assessment of \$177,800 or \$37.06 per square foot of living area.

In support of its contention of the correct assessment the board of review through the township assessor submitted a grid analysis, property record cards and a spreadsheet on five suggested equity comparables located in the same neighborhood code as the subject property. The comparables were improved with two-story dwellings of brick exterior construction ranging in size from 4,438 to 4,692 square feet of living area. The dwellings were built from 1985 to 1995. Each comparable has a basement with one comparable having 75% finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 739 to 840 square feet of building area.<sup>2</sup> The comparables have improvement assessments ranging from \$162,580 to \$178,510 or from \$36.62 to \$38.05 per square foot of living area. Based on this evidence, the board of review requests confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables based on their smaller dwelling size when compared to the subject. The Board gave less weight to the board of review comparable #3 based on its 75% finished basement when compared to the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, #4 and #5 as these properties were similar when compared to the subject in dwelling size, age and some features. These comparables had improvement assessments that ranged from \$165,990 to \$178,510 or from \$36.62 to \$38.05 per square foot of living area. The subject's improvement assessment of \$177,800 or \$37.06 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to

the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
