

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elena Naneva  
DOCKET NO.: 19-08210.001-R-1  
PARCEL NO.: 15-34-304-002

The parties of record before the Property Tax Appeal Board are Elena Naneva, the appellant, by attorney Ryan Schaeffges, of the Law Office of Ryan Schaeffges, P.C. in Wheeling; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$27,140  
**IMPR.:** \$88,954  
**TOTAL:** \$116,094

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.<sup>1</sup>

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,223 square feet of living area. The dwelling was constructed in 1979. Features of the home include a concrete slab foundation, central air conditioning, one fireplace and a 400 square foot garage. The property has an approximately 7,730 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.20 of a mile from the subject property. The comparables have sites that range in size from 7,219 to 9,657 square feet of land area and are improved with two-story dwellings of frame exterior construction with either

2,223 or 2,343 square feet of living area. The dwellings were built from 1979 to 1982. Each comparable has central air conditioning and a garage with either 400 or 483 square feet. One comparable has a fireplace. The properties sold from May 2018 to March 2019 for prices of \$314,750 and \$315,000 or from \$134.34 to \$141.70 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$101,023 which reflects a market value of \$303,099 or \$136.35 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$116,094. The subject's assessment reflects a market value of \$352,977 or \$158.78 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.16 of a mile from the subject property. The comparables have sites that range in size from 7,450 to 7,990 square feet of land area and are improved with two-story dwellings of wood siding exterior construction each with 2,223 square feet of living area. The homes were built in 1979 or 1982. One comparable has a basement with finished area and two comparables each have a concrete slab foundation. Each dwelling has central air conditioning, one fireplace and a 400 square foot garage. The properties sold from July 2018 to August 2019 for prices ranging from \$364,000 to \$370,000 or from \$163.74 to \$166.44 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board's consideration. The Board gives less weight to board of review comparable #1 which has a basement with finished area in contrast to the subject's concrete slab foundation.

The Board finds the best evidence of market value to be the appellant's comparables along with board of review comparables #2 and #3 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from May 2018 to August 2019 for prices ranging from \$314,750 to \$367,000 or from \$134.34 to \$165.09 per square foot of living area, including land. The subject's assessment reflects a market value of \$352,977 or \$158.78 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
