

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Purtell
DOCKET NO.: 19-08368.001-R-1
PARCEL NO.: 10-26-410-005

The parties of record before the Property Tax Appeal Board are Susan Purtell, the appellant, by attorney Timothy C. Jacobs, of Kovitz Shifrin Nesbit in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,753
IMPR.: \$95,666
TOTAL: \$125,419

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,640 square feet of living area. The dwelling was constructed in 1994 and is approximately 25 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 455 square feet of building area. The property has an approximately 12,035 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables are located in the same neighborhood code as the subject property and are 25 or 27 years old. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,546 to 3,036 square feet of living area. Each dwelling has central air conditioning, a fireplace, and a

garage ranging in size from 420 to 784 square feet of building area. Each comparable has a basement with comparable #3 having 882 square feet of finished area. The parcels range in size from 11,760 to 15,680 square feet of land area. The comparables sold from February to April 2019 for prices ranging from \$270,000 to \$339,000 or from \$106.05 to \$128.75 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$100,320.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$125,419. The subject's assessment reflects a market value of \$381,329 or \$144.44 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located in the same neighborhood code as the subject property. The comparables consist of two-story dwellings of vinyl siding exterior construction with 2,546 or 2,658 square feet of living area. The dwellings were built from 1991 to 1994. Each dwelling has central air conditioning, a fireplace, and a garage with 420 or 664 square feet of building area. Each comparable has a basement with comparables #1 and #3 having 473 and 800 square feet of finished area, respectively. The parcels range in size from 12,200 to 21,240 square feet of land area. The comparables sold from February 2018 to December 2018 for prices ranging from \$362,500 to \$395,000 or from \$142.38 to \$148.61 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal to appellant's submission, the board of review submitted an aerial map containing a written statement that appellant's comparable #2 backs up to a busy road.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparable #3 and board of review comparables #1 and #3 due to their finished basements which is not a feature of the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #2 along with board of review comparable sale #2. These most similar comparables sold for prices ranging from \$270,000 to \$395,000 or from \$106.05 to \$148.61 per square foot of living area, including land. The subject's assessment reflects a market value of \$381,329 or \$144.44 per square foot of living area, including land, which is within the range established by the best

comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
