

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tao Chen
DOCKET NO.: 19-08478.001-R-1
PARCEL NO.: 15-24-310-003

The parties of record before the Property Tax Appeal Board are Tao Chen, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$47,131
IMPR.: \$151,782
TOTAL: \$198,913

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 2,984 square feet of living area. The dwelling was constructed in 1984 and is 35 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 484 square foot garage. The property has an approximately 19,600 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.35 of a mile from the subject property. The comparables have sites with either 20,473 or 21,780 square feet of land area and are improved with two-story dwellings of frame and brick exterior construction that range in size from 3,047 to 3,387 square feet of living area. The dwellings range in age from 32 to 47 years old. Each comparable has a basement with finished area, central air conditioning,

one or two fireplaces and a garage with 456 or 483 square feet of building area. The properties sold from May 2018 to October 2019 for prices ranging from \$540,000 to \$605,000 or from \$169.77 to \$190.61 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$171,561 which reflects a market value of \$514,734 or \$172.50 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$198,913. The subject's assessment reflects a market value of \$604,783 or \$202.68 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.40 of a mile from the subject property. The comparables have sites that range in size from 13,340 to 20,470 square feet of land area and are improved with two-story dwellings of brick or brick and wood siding exterior construction that range in size from 2,760 to 3,314 square feet of living area. The homes were built from 1976 to 1987. Each comparable has a basement, two with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 483 to 562 square feet of building area. Comparable #2 has an inground swimming pool. The properties sold from October 2018 to October 2019 for prices ranging from \$605,000 to \$700,000 or from \$190.61 to \$231.52 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to the appellant's comparables #1 and #2 which lack a finished basement like the subject and/or feature an inground swimming pool which the subject property lacks.

The Board finds the best evidence of market value to be the remaining comparables, including the common property, which are more similar to the subject in location, design, dwelling size and other features. These comparables sold from May 2018 to October 2019 for prices ranging from \$540,000 to \$628,000 or from \$169.77 to \$214.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$604,783 or \$202.68 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
