

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Beverly Sheridan
DOCKET NO.: 19-08499.001-R-1
PARCEL NO.: 15-13-305-004

The parties of record before the Property Tax Appeal Board are Beverly Sheridan, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,502
IMPR.: \$107,016
TOTAL: \$153,518

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 2,632 square feet of living area. The dwelling was constructed in 1971 and is 47 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 462 square foot garage. The property has an approximately 21,340 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within one mile of the subject property. The comparables have sites that range in size from 19,602 to 22,651 square feet of land area and are improved with two-story dwellings of frame, frame and brick or frame and masonry exterior construction that range in size from 2,556 to 2,646 square feet of living area. The dwellings range in age from 47 to 54 years old. Each comparable has a basement, three with

finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 529 square feet of building area. The properties sold from October 2018 to September 2019 for prices ranging from \$366,500 to \$467,500 or from \$142.05 to \$176.68 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$125,261 which reflects a market value of \$375,821 or \$142.79 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$153,518. The subject's assessment reflects a market value of \$466,762 or \$177.34 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within one mile of the subject property. The comparables have sites that range in size from 15,250 to 21,340 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,565 to 2,844 square feet of living area. The homes were built from 1963 to 1977 with the oldest property having an effective year built of 1975. Each comparable has a basement, three with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 484 to 552 square feet of building area. Comparable #1 has an inground swimming pool. The properties sold from June 2018 to November 2019 for prices ranging from \$540,000 to \$750,000 or from \$199.34 to \$274.73 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3 along with board of review comparables #1, #2 and #5 which have finished basement area, in contrast to the subject's unfinished basement, and/or an inground swimming pool, which the subject lacks.

The Board finds the best evidence of market value to be the remaining comparables which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from March to September 2019 for prices ranging from \$467,500 to \$750,000 or from \$176.68 to \$274.73 per square foot of living area, including land. The subject's assessment reflects a market value of \$466,762 or \$177.34 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record on an overall basis and within the range on a per square foot basis. After considering

appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
