

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Herman Weimer
DOCKET NO.: 19-08508.001-R-1
PARCEL NO.: 16-28-105-023

The parties of record before the Property Tax Appeal Board are Herman Weimer, the appellant, by attorney Eric Feldman of Eric Feldman & Assoc. P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,772
IMPR.: \$119,544
TOTAL: \$171,316

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 2,436 square feet of living area. The dwelling was constructed in 1959. Features of the home include a basement finished with a recreation room, central air conditioning, a fireplace and a 275 square foot garage. The property has a 10,090 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject and located within .36 of a mile from the subject property. The comparables have sites that range in size from 10,120 to 12,690 square feet of land area and are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,127 to 3,085 square feet of living area. The dwellings were built from

1959 to 1968. Two comparables have concrete slab foundations and two comparables have basements, one of which is finished with a recreation room. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 440 to 600 square feet of building area. The properties sold from April 2018 to March 2019 for prices ranging from \$445,000 to \$590,000 or from \$191.25 to \$211.01 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$159,247, which would reflect a market value of \$477,789 or \$196.14 per square foot of living area, including land, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$171,316. The subject's assessment reflects a market value of \$520,876 or \$213.82 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within .36 of a mile from the subject property. The board of review's comparables #2 and #3 are the same properties as the appellant's comparables #1 and #2, which were previously described. The board of review's comparable #1 has a site containing 10,120 square feet of land area and is improved with a two-story dwelling of brick exterior construction with 2,511 square feet of living area. The dwelling was built in 1996 and has an unfinished basement, central air conditioning, a fireplace and a 462 square foot garage. The property sold in September 2018 for a price of \$605,000 or \$240.94 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five suggested comparable sales for the Board's consideration, as two sales were common to both parties. The Board has given less weight to the appellant's comparable #4 due to its larger dwelling size when compared to the subject.

The board finds the best evidence of market value to be the parties' remaining comparables, which includes the two common sales. The Board finds these comparables are overall more similar to the subject in location, dwelling size, design, age and some features. These properties sold from April 2018 to March 2019 for prices ranging from \$445,000 to \$605,000 or from \$196.60 to \$240.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$520,876 or \$213.82 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to

the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
