

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Marshall
DOCKET NO.: 19-08567.001-R-1
PARCEL NO.: 15-25-101-016

The parties of record before the Property Tax Appeal Board are Michael Marshall, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$76,169
IMPR.: \$118,457
TOTAL: \$194,626

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 2,702 square feet of living area. The dwelling was constructed in 1962, is 57 years old and has an effective year built of 1971. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 552 square foot garage. The property has an approximately 40,075 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject and from 0.13 of a mile to 1.52 miles from the subject property. The comparables are improved with one-story dwellings of wood siding exterior construction that range in size from 2,655 to 3,038 square feet of living area. The homes range in age from 49 to 60 years old. One comparable has

a partial basement/partial crawl space foundation, one comparable has a concrete slab foundation and two comparables have crawl space foundations. Each comparable has central air conditioning and a garage ranging in size from 480 to 1,047 square feet of building area. Three comparables have either one or two fireplaces. The comparables have improvement assessments that range from \$92,684 to \$112,363 or from \$34.72 to \$37.96 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$97,961 or \$36.25 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$194,626. The subject has an improvement assessment of \$118,457 or \$43.84 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and within 0.74 of a mile from the subject. The comparables are improved with one-story dwellings of with a combination of brick, Dryvit and wood siding exterior construction and range in size from 2,444 to 2,836 square feet of living area. The homes were built from 1949 to 1977 with the oldest property having an effective year built of 1959. Four comparables have a basement with three having finished area and one comparable has a crawl space foundation. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 784 square feet of building area. The comparables have improvement assessments that range from \$112,910 to \$136,479 or from \$43.66 to \$52.13 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables along with board of review comparables #3, #4 and #5 which differ from the subject in dwelling size and/or foundation type.

The Board finds the best evidence of assessment equity to be the remaining two board of review comparables which are more similar to the subject in location, age/effective age, design, dwelling size and other features. These two best comparables have improvement assessments of \$134,171 and \$136,479 or for \$49.20 and \$52.13 per square foot of living area. The subject's improvement assessment of \$118,457 or \$43.84 per square foot of living area falls below the two best comparables in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
