

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Orlov  
DOCKET NO.: 19-08596.001-R-1  
PARCEL NO.: 15-33-108-013

The parties of record before the Property Tax Appeal Board are Richard Orlov, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$25,840  
**IMPR.:** \$118,851  
**TOTAL:** \$144,691

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,460 square feet of living area. The dwelling was constructed in 1979 and is approximately 40 years old. Features of the home include a basement finished with a recreation room, central air conditioning and a 420 square foot garage. The property has a 7,980 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .13 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction containing 2,444 or 2,460 square feet of living area. The dwellings range in age from 39 to 41 years old. Each comparable has an unfinished basement,

central air conditioning and a garage with either 420 or 460 square feet of building area. The comparables have improvement assessments that range from \$113,537 to \$114,794 or from \$46.46 to \$46.66 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$114,629 or \$46.60 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,691. The subject property has an improvement assessment of \$118,851 or \$48.31 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within .37 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,460 to 2,600 square feet of living area. The dwellings were built from 1979 to 1986 with comparables #1 and #4 having reported effective ages of 1980 and 1989, respectively. The comparables each have a basement, four of which have recreation rooms. Each comparable has central air conditioning and a garage ranging size from 420 to 460 square feet of building area. Three comparables each have one or two fireplaces. Comparable #2 has an inground swimming pool. The comparables have improvement assessments that range from \$129,144 to \$134,232 or from \$50.92 to \$54.00 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables, as well as board of review comparable #4 as each has an unfinished basement in contrast to the subject's basement finished with a recreation room. The Board has also given less weight to board of review comparable #2 as it has an inground swimming, unlike the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #3 and #5, which are similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments that range from \$129,144 to \$134,232 or from \$51.63 to \$52.72 per square foot of living area. The subject's improvement assessment of \$118,851 or \$48.31 per square foot of living area falls below the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
