

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hiren Patel
DOCKET NO.: 19-08616.001-R-1
PARCEL NO.: 14-15-215-037

The parties of record before the Property Tax Appeal Board are Hiren Patel, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,495
IMPR.: \$181,911
TOTAL: \$220,406

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 4,022 square feet of living area. The dwelling was constructed in 2013 and is approximately 6 years old. Features of the home include an unfinished basement, central air conditioning and a 693 square foot garage. The property has an approximately 13,500 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables with the same assessment neighborhood code as the subject and located within .21 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction containing 3,852 or 3,898 square feet of living area. The dwellings are 4 or 5 years old. Each comparable has an unfinished basement, central air

conditioning and a garage with either 818 or 946 square feet of building area. Two comparables each have one fireplace. The comparables have improvement assessments that range from \$55,471 to \$131,747 or from \$14.23 to \$33.80 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$95,337 or \$23.70 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$220,406. The subject property has an improvement assessment of \$181,911 or \$45.23 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and within .22 of a mile from the subject property. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 3,839 to 4,349 square feet of living area. The dwellings were built in 2014 or 2015. The comparables each have an unfinished basement, one of which is a walk-out design. Each comparable has central air conditioning and a garage ranging size from 693 to 946 square feet of building area. Four comparables each have one fireplace. The comparables have improvement assessments that range from \$176,956 to \$202,385 or from \$45.78 to \$46.54 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board finds all of the comparables are similar to the subject in location, dwelling size, design, age and most features. However, the Board finds the appellant's comparables #1 and #2 appear to be outliers given their considerably lower improvement assessments of \$55,471 and \$88,987 or \$14.23 and \$23.10 per square foot of living area, when compared to the remaining comparables in the record. The appellant's comparable #3 and the comparables presented by the board of review have improvement assessments that range from \$131,747 to \$202,385 or from \$33.80 to \$46.54 per square foot of living area. The subject's improvement assessment of \$181,911 or \$45.23 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
