

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adam Clementi
DOCKET NO.: 19-08623.001-R-1
PARCEL NO.: 14-31-406-009

The parties of record before the Property Tax Appeal Board are Adam Clementi, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,653
IMPR.: \$114,803
TOTAL: \$159,456

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with wood siding exterior construction containing 2,505 square feet of living area. The dwelling was constructed in 1969. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 441 square foot garage. The property has a 22,720 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .11 to .37 of a mile from the subject. The comparables have sites ranging in size from 20,904 to 21,884 square feet of land area that are improved with 2-story dwellings containing from 3,121 to 3,444 square feet of living area. The dwellings were built in 1967 or 1968. The comparables have unfinished basements, two of which have a walkout, central air conditioning, one, two or four fireplaces and

an attached garage ranging in size from 462 to 552 square feet of building area. The comparables sold from April 2018 to August 2019 for prices ranging from \$536,500 to \$582,500 or from \$164.77 to \$180.34 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,456. The subject's assessment reflects a market value of \$484,816 or \$193.54 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .22 to .61 of a mile from the subject. The comparables have sites ranging in size from 18,800 to 28,330 square feet of land area that are improved with 1.5-story or 2-story dwellings containing from 2,639 to 2,808 square feet of living area. The dwellings were built from 1965 to 1972. The comparables have unfinished basements, central air conditioning, a fireplace and an attached garage ranging from 484 to 616 square feet of building area. The comparables sold from February 2018 to August 2019 for prices ranging from \$525,000 to \$580,000 or from \$190.53 to \$208.33 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables due to their larger dwelling size, when compared to the subject. The Board also gives less weight to the board of review's comparable #5 due to its dissimilar 1.5-story style, when compared to the subject. The Board finds the board of review's remaining comparables have varying degrees of similarity to the subject and sold proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold from February 2018 to July 2019 for prices ranging from \$525,000 to \$580,000 or from \$193.76 to \$208.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$484,816 or \$193.54 per square foot of living area, including land, which falls within the range established by the best comparables in the record on a total market value range but below the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
