

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deborah Kolb
DOCKET NO.: 19-08653.001-R-1
PARCEL NO.: 14-10-311-005

The parties of record before the Property Tax Appeal Board are Deborah Kolb, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,953
IMPR.: \$115,484
TOTAL: \$146,437

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,116 square feet of living area. The dwelling was constructed in 1983 and is approximately 36 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 756 square foot garage. The property has a 41,111 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparables are located from 1.39 to 1.64 miles from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 39,713 to 40,963 square feet of land area and are improved with two-story homes of brick or wood siding exterior construction ranging in size from 3,024 to 3,699 square feet of living area. The dwellings range in age from 29 to 31

years old. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 651 to 828 square feet of building area. The comparables sold from March 2018 to September 2019 for prices ranging from \$400,000 to \$425,000 or from \$114.90 to \$134.26 per square foot of living area, including land.

Based upon this evidence, the appellant requested a reduction in the subject's assessment to \$132,580, which would reflect a market value of \$397,780 or \$127.66 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$146,437. The subject's assessment reflects a market value of \$445,233 or \$142.89 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables are located from 1.34 to 1.86 miles from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 40,676 to 45,297 square feet of land area and are improved with two-story homes of brick or frame exterior construction ranging in size from 2,766 to 3,174 square feet of living area. The dwellings were built from 1977 to 1988. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 552 to 814 square feet of building area. The comparables sold from July 2018 to June 2019 for prices ranging from \$450,000 to \$540,000 or from \$147.08 to \$188.68 per square foot of living area, including land.

The board of review also submitted information on the appellant's comparables, including a grid analysis and property record cards.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #4 which is a much larger home than the subject dwelling.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2, and #3 and the board of review's comparables, which are similar to the subject in dwelling size, lot size, age, location, and most features. These most similar comparables sold from March 2018 to June 2019 for prices ranging from \$400,000 to \$540,000 or from \$130.01 to \$188.68 per square

foot of living area, including land. The subject's assessment reflects a market value of \$445,233 or \$142.89 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
