

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patricia Iacovelli
DOCKET NO.: 19-08662.001-R-1
PARCEL NO.: 14-33-203-001

The parties of record before the Property Tax Appeal Board are Patricia Iacovelli, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,747
IMPR.: \$141,668
TOTAL: \$186,415

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,290 square feet of living area. The dwelling was constructed in 1977 and is approximately 42 years old. Features of the home include a basement, central air conditioning, a fireplace, a 1,015 square foot garage, and an inground swimming pool.¹ The property has an approximately 46,604 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same assessment neighborhood code as the subject property. The parcels range in size from 37,892 to 53,086 square feet of land area and are improved with 2-story homes of brick or wood siding exterior

¹ Additional details regarding the subject property not provided by the appellant are found in the subject's property record card presented by the board of review.

construction ranging in size from 2,820 to 3,456 square feet of living area. The dwellings range in age from 41 to 43 years old. Each home has a basement, central air conditioning, one or three fireplaces, and a garage ranging in size from 725 to 851 square feet of building area. The comparables sold from February 2018 to February 2019 for prices ranging from \$417,500 to \$525,000 or from \$145.28 to \$151.91 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$161,980 which would reflect a market value of \$485,989 or \$147.72 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$186,415. The subject's assessment reflects a market value of \$566,783 or \$172.28 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within the same assessment neighborhood code as the subject property. The parcels range in size from 36,590 to 50,350 square feet of land area and are improved with 1.5-story or 2-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,892 to 3,564 square feet of living area. The dwellings were built from 1983 to 1987. Each home has a basement, one of which is a walkout basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 682 to 878 square feet of building area. The comparables sold from January 2018 to July 2019 for prices ranging from \$588,500 to \$675,000 or from \$168.35 to \$216.98 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and the board of review's comparable #1, which are much smaller homes than the subject dwelling.

The Board finds the best evidence of market value to be the appellant's comparables #2, #3 and #4 and the board of review's comparables #2, #3, #4, and #5, which have varying degrees of similarity to the subject, although none of these comparables has an inground swimming pool like the subject and all of these comparables have smaller garages than the subject. These most similar comparables sold from January 2018 to July 2019 for prices ranging from \$445,000 to \$675,000 or from \$145.28 to \$202.34 per square foot of living area, including land. The

subject's assessment reflects a market value of \$566,783 or \$172.28 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
