

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kelly Monastiriakos
DOCKET NO.: 19-08702.001-R-1
PARCEL NO.: 10-33-201-011

The parties of record before the Property Tax Appeal Board are Kelly Monastiriakos, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,641
IMPR.: \$159,625
TOTAL: \$201,266

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,954 square feet of living area. The dwelling was constructed in 2005 and is approximately 14 years old. Features of the home include a walkout basement with finished area, central air conditioning, a fireplace, and a 558 square foot garage. The property has an approximately 22,346 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables are located from 0.15 to 0.47 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 18,003 to 33,436 square feet of land area and are improved with two-story homes of brick or wood siding exterior construction ranging in size from 4,205 to 4,885 square feet of living area. The dwellings are either 13 or 14

years old. Each home has a basement, one of which is a walkout basement with finished area, central air conditioning, a fireplace, and a garage with either 693 or 741 square feet of building area. The comparables sold from May to December 2018 for prices ranging from \$535,000 to \$610,000 or from \$124.87 to \$127.23 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$166,072 which would reflect a market value of \$498,266 or \$126.02 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$201,266. The subject's assessment reflects a market value of \$611,937 or \$154.76 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables are located from 0.21 to 0.40 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 18,000 to 26,800 square feet of land area and are improved with two-story homes of brick or brick and wood siding exterior construction with either 3,957 or 4,125 square feet of living area. The dwellings were built in 2005 or 2008. Each home has a basement with finished area, one of which is a walkout basement, central air conditioning, a fireplace, and a garage with either 741 or 789 square feet of building area. The comparables sold from May 2018 to March 2019 for prices ranging from \$560,000 to \$715,000 or from \$141.52 to \$173.33 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 due to substantial differences from the subject in dwelling size and/or basement finish.

The Board finds the best evidence of market value to be the appellant's comparable # and the board of review's comparables, which are relatively similar to the subject in dwelling size, lot size, age, location, and features. These most similar comparables sold from May 2018 to March 2019 for prices ranging from \$535,000 to \$715,000 or from \$127.23 to \$173.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$611,937 or \$154.76 per square foot of living area, including land, which is within the range established by

the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
