

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sara Arnold  
DOCKET NO.: 19-08723.001-R-1  
PARCEL NO.: 12-20-213-014

The parties of record before the Property Tax Appeal Board are Sara Arnold, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$68,511  
**IMPR.:** \$54,821  
**TOTAL:** \$123,332

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 1,376 square feet of living area. The dwelling was constructed in 1961 and is approximately 58 years old. Features of the home include a full basement with finished area, central air conditioning and a garage with 484 square feet of building area. The property has a site with approximately 10,500 feet of land area and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located within 0.32 of a mile from the subject and within the same assessment neighborhood code as the subject. The comparables are improved with one-story dwellings of brick exterior construction that range in size from 1,738 to 1,775 square feet of living area. The dwellings range in age from 59 to 68 years old. Each comparable has either a full or partial basement with one having finished area, central air conditioning and a garage ranging in size from 392 to 600 square feet of building area. Three comparables each have one or two fireplaces. The comparables have improvement assessments that range from \$49,429 to \$59,207 or from \$27.85 to \$33.49 per square

foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$43,454 or \$31.58 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$123,332. The subject property has an improvement assessment of \$54,821 or \$39.84 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted the subject's property record card and a grid analysis on five suggested equity comparables located within 0.32 of a mile from the subject and within the same assessment neighborhood as the subject property. The comparables are improved with one-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 1,334 to 1,470 square feet of living area. The dwellings were built from 1953 to 1964. Each comparable has either a full or partial basement with four having finished areas and two with a walk-out basement. Three comparables each have central air conditioning, and four comparables each have either one or two fireplaces. Each comparable has a garage ranging in size from 364 to 550 square feet of building area. The comparables have improvement assessments ranging from \$51,415 to \$58,900 or from \$37.81 to \$40.34 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1, #2 and #4 along with the board of review comparables #2 and #5 for their lack of finished basement area and/or lack of central air conditioning when compared to the subject.

The Board finds the best evidence of assessment equity are the appellant's comparable #3 along with the board of review comparables #1, #3 and #4 as these comparables are similar when compared to the subject in design, age, and some features. These comparables have improvement assessments ranging from \$51,415 to \$57,606 or from \$32.68 to \$40.34 per square foot of living area. The subject's improvement assessment of \$54,821 or \$39.84 per square foot of living area, falls within the range established by the most similar assessment comparables contained in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this evidence the Board finds no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
