

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Premjay Datt
DOCKET NO.: 19-08727.001-R-1
PARCEL NO.: 12-31-202-003

The parties of record before the Property Tax Appeal Board are Premjay Datt, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$109,770
IMPR.: \$105,471
TOTAL: \$215,241

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick construction with 2,257 square feet of living area. The dwelling was built in 1956 and is approximately 63 years old. Features of the home include a partial basement, central air conditioning, two fireplaces, and an attached garage with 506 square feet of building area. The property has a site with approximately 42,880 square feet of land area and is located in Lake Forest, Shields Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables improved with one-story dwellings of brick or wood siding exterior construction ranging in size from 2,461 to 2,699 square feet of living area. The dwellings range in age from 63 to 68 years old. Two comparables have an unfinished partial basement and two comparables have slab foundations. Three comparables have central air conditioning. Each property has one

or two fireplaces and an attached or detached garage ranging in size from 418 to 660 square feet of building area. The comparables have the same assessment neighborhood code as the subject property and are located within .60 of one mile from the subject property. The improvement assessments on these properties range from \$100,239 to \$111,736 or from \$38.68 to \$43.52 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$93,191.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$215,241. The subject property has an improvement assessment of \$105,471 or \$46.73 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted a uniformity grid analysis containing information on five equity comparables improved with one-story dwellings of brick exterior construction ranging in size from 2,002 to 2,566 square feet of living area. The dwellings were built from 1953 to 1958. Each comparable has a full or partial basement with one having finished area, one to three fireplaces, and an attached or detached garage ranging in size from 462 to 675 square feet of building area. Four comparables have central air conditioning. The comparables have the same assessment neighborhood code as the subject property and are located from .15 to .95 of one mile from the subject property. The improvement assessments on these properties range from \$100,239 to \$137,168 or from \$40.73 to \$53.74 per square foot of living area. Board of review comparable #5 is the same property as appellant's comparable #2.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on eight comparables similar to the subject property in location as well as being improved with dwellings similar to the subject in age and style, with one comparable being common to both parties. The Board gives less weight to appellant's comparables #1 and #4 due to each property having a slab foundation unlike the subject's partial unfinished basement. The Board gives most weight to appellant's comparables #2 and #3 and the comparables submitted by the board of review, which includes the common comparable. These comparables have improvement assessments that range from \$100,239 to \$137,168 or from \$40.73 to \$53.74 per square foot of living area. The subject's improvement assessment of \$105,471 or \$46.73 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
