

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ross Friedman  
DOCKET NO.: 19-08750.001-R-1  
PARCEL NO.: 12-28-104-026

The parties of record before the Property Tax Appeal Board are Ross Friedman, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$87,486  
**IMPR.:** \$43,889  
**TOTAL:** \$131,375

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 1,026 square feet of living area. The dwelling was constructed in 1957 and is 62 years old. Features of the home include a basement that is finished with a recreation room, a fireplace and a 440 square foot garage. The property has a 10,044 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are described as one-story dwellings of wood siding or brick exterior construction ranging in size from 1,007 to 1,384 square feet of living area. The dwellings are 64 to 79 years old. Each comparable has an unfinished basement and a garage ranging in size from 308 to 660 square feet

of building area. One comparable has central air conditioning. One comparable has a fireplace. The comparables have improvement assessments ranging from \$30,935 to \$46,621 or from \$30.72 to \$36.34 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,375. The subject property has an improvement assessment of \$43,889 or \$42.78 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject. The comparables are described as one-story dwellings of brick or wood siding exterior construction ranging in size from 1,072 to 1,160 square feet of living area. The dwellings were constructed from 1950 to 1955 and have basements, three of which are finished with a recreation room. Three comparables have central air conditioning. Four comparables each have one or two fireplaces. Each comparable has a garage ranging in size from 264 to 528 square feet of building area. The comparables have improvement assessments ranging from \$46,558 to \$51,916 or from \$40.77 to \$47.41 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to appellant's comparables #1, #2 and #4 due to older age or larger dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #3 along with the board of review comparables which overall are more similar to the subject in location, age, dwelling size, and features. However, the Board recognizes upward adjustments would have to be considered to three comparables for their unfinished basements and downward adjustments to three comparables which have central air conditioning to make them more equivalent to the subject. Nevertheless, these comparables have improvement assessments ranging from \$37,424 to \$51,916 or from \$33.27 to \$47.41 per square foot of living area. The subject has an improvement assessment of \$43,889 or \$42.78 per square foot of living area, which is within the range established by the best comparables in the record. Therefore, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
