

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marliss Turek
DOCKET NO.: 19-08751.001-R-1
PARCEL NO.: 12-28-307-038

The parties of record before the Property Tax Appeal Board are Marliss Turek, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$79,418
IMPR.: \$75,567
TOTAL: \$154,985

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,028 square feet of living area. The dwelling was constructed in 1912 and is 107 years old. Features of the home include an unfinished basement and one fireplace. The property has an 8,720 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from .26 to 1.36 miles from the subject. The comparables have sites that range in size from 7,500 to 7,970 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that are 88 or 109 years old. The dwellings range in size from 1,680 to 2,292 square feet of living area. Each comparable has an unfinished basement and a garage ranging in size from 400 to 528 square feet of building area. One comparable has central air conditioning and one comparable has a

fireplace. The comparables sold from April 2017 to April 2018 for prices ranging from \$344,000 to \$395,000 or from \$150.09 to \$235.12 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$154,985. The subject's assessment reflects a market value of \$471,222 or \$232.36 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .66 miles from the subject. The comparables have sites ranging in size from 4,500 to 9,000 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that were built from 1895 to 1936 with comparable #1 having an effective age of 1945. The dwellings range in size from 1,840 to 2,290 square feet of living area. Each comparable has a basement with two having a recreation room and a garage ranging in size from 216 to 667 square feet of building area. Three comparables have central air conditioning. Four comparables each have one or two fireplaces. Comparable #1 has an inground swimming pool. The comparables sold from May 2018 to July 2019 for prices ranging from \$625,000 to \$1,130,000 or from \$323.05 to \$614.13 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1 and #2 as their sale dates occurred in 2017 which are less proximate in time to the January 1, 2019 assessment date than the other sales in the record. The Board gives less weight to board of review comparables #1, #2, and #5 which have an inground swimming pool or finished basement area unlike the subject.

The Board finds the best evidence of the subject's market value to be appellant's comparable #3 and board of review comparables #3 and #4 which sold proximate in time to the assessment date and are relatively similar to the subject in location, age, dwelling size and features. The comparables sold from April 2018 to April 2019 for prices ranging from \$344,000 to \$750,000 or from \$150.09 to \$327.51 per square foot of living area, including land. The subject's assessment reflects a market value of \$471,222 or \$232.36 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this evidence and after considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the appellant failed to prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
