

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ovi Smalberger
DOCKET NO.: 19-08856.001-R-1
PARCEL NO.: 07-04-305-055

The parties of record before the Property Tax Appeal Board are Ovi Smalberger, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,600
IMPR.: \$47,400
TOTAL: \$60,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhouse of frame exterior construction with 1,166 square feet of living area. The dwelling was constructed in 1986. Features of the home include a basement, central air conditioning, a fireplace,¹ and a 2-car garage. The property has a 1,943 square foot site and is located in Naperville, Naperville Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales, together with a listing sheet for each comparable sale. The comparables are located within the same assessment neighborhood code as the subject property. The parcels each have 1,943 square feet of land area and are improved with

two-story townhomes of frame exterior construction² ranging in size from 1,166 to 1,468 square feet of living area. The homes were built in 1986 or 1987. One home has a basement. Each home has central air conditioning, a fireplace,³ and a 2-car garage. The comparables sold from February 2017 to November 2017 for prices of \$170,000 or \$210,000 or from \$132.61 to \$145.80 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$47,000 which would reflect a market value of \$141,014 or \$120.94 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,000. The subject's assessment reflects a market value of \$181,873 or \$155.98 per square foot of living area, land included, when using the 2019 three year average median level of assessment for DuPage County of 32.99% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, together with a map depicting the locations of both parties' comparables in relation to the subject and property records cards for the parties' comparables. The comparables are located within the same assessment neighborhood code as the subject property. The parcels have either 1,943 or 2,366 square feet of land area and are improved with two-story townhomes of frame exterior construction ranging in size from 1,270 to 1,518 square feet of living area. The homes were built from 1986 to 1990. Each home has a basement, a fireplace, and a 2-car garage. The comparables sold from January 2018 to April 2019 for prices ranging from \$204,000 to \$228,000 or from \$134.39 to \$163.78 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, which sold less proximate in time to the January 1, 2019 assessment date.

² The listing sheets presented by the appellant reported more specifically that these comparables have either vinyl siding or vinyl siding and aluminum siding exterior construction.

³ Additional details regarding these comparables not reported by the appellant are found in their property record cards presented by the board of review.

The Board finds the best evidence of market value to the board of review's comparables, which are similar to the subject in location, lot size, age, and most features; however, three of these comparables are significantly larger homes than the subject. These most similar comparables sold January 2018 to April 2019 for prices ranging from \$204,000 to \$228,000 or from \$134.39 to \$163.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$181,873 or \$155.98 per square foot of living area, including land, which is below the range established by the best comparable sales in terms of total market value and within the range on a per square foot basis, which is logical given that the subject is a smaller home than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
