

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Shaw  
DOCKET NO.: 19-09001.001-R-1  
PARCEL NO.: 06-01-110-008

The parties of record before the Property Tax Appeal Board are Ron Shaw, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$100,890  
**IMPR.:** \$126,770  
**TOTAL:** \$227,660

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and brick exterior construction with 2,418 square feet of living area. The dwelling was constructed in 1926. Features of the home include an unfinished basement, central air conditioning, and a two-car detached garage. The property has a 10,890 square foot site and is located in Elmhurst, York Township, DuPage County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three suggested equity comparables located in the same neighborhood code as the subject property. The appellant reported that the comparables were improved with two-story dwellings of frame and aluminum or brick and masonry exterior construction ranging in size from 1,490 to 1,872 square feet of living area. The dwellings were built from 1907 to 1941. Each comparable has a

basement with one comparable having finished area, two comparables have central air conditioning, and one comparable has a one-car attached garage. The comparables have improvement assessments ranging from \$65,620 to \$87,770 or from \$44.04 to \$46.88 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$109,511 or \$45.29 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$227,660. The subject property has an improvement assessment of \$126,770 or \$52.43 per square foot of living area. In support of its contention of the correct assessment the board of review through the township assessor submitted property record cards and a grid analysis on six suggested equity comparables located in the same neighborhood code as the subject property. The comparables were improved with two-story dwellings of frame, aluminum, vinyl, stucco or Dryvit exterior construction ranging in size from 2,220 to 2,595 square feet of living area. The dwellings were built from 1910 to 1932. Each comparable has a basement with two comparables having finished area, central air conditioning, five comparables have a fireplace and each comparable has a two-car garage. The comparables have improvement assessments ranging from \$117,570 to \$140,640 or from \$51.71 to \$54.20 per square foot of living area. Based on this evidence, the board of review requests confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables based on their smaller dwelling size when compared to the subject. The Board gave less weight to the board of review's comparables #4 and #6 based on their basement finish when compared to the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, #3 and #5. These comparables are similar when compared to the subject in location, age, dwelling size, and features. These comparables had improvement assessments ranging from \$117,570 to \$136,690 or from \$51.71 to \$53.21 per square foot of living area. The subject's improvement assessment of \$126,770 or \$52.43 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
