

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy Wangler
DOCKET NO.: 19-09064.001-R-1
PARCEL NO.: 08-09-406-014

The parties of record before the Property Tax Appeal Board are Timothy Wangler, the appellant, by attorney John P. Booras, of the Law Offices of John P. Booras in Warrenville, and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,080
IMPR.: \$48,440
TOTAL: \$110,520

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a ranch-style dwelling of brick exterior construction with 2,422 square feet of living area.¹ The dwelling was constructed in 1979. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a 552 square foot garage. The property has a 11,784 square foot site and is located in Lisle, Lisle Township, DuPage County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on October 28, 2019 for a price of \$335,000. The appellant completed Section IV – Recent Sales Data of the Residential Appeal petition stating that the sale was not a transfer between related parties, the subject property was sold through a realtor, and the subject property was advertised for sale for 185 days

¹ The appellant did not furnish any details regarding the subject property so all data is taken from the grid analysis presented by the board of review.

through the Multiple Listing Service. The appellant submitted a copy of the Master Statement showing a purchase price of \$335,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$137,220. The subject's assessment reflects a market value of \$415,944 or \$171.74 per square foot of living area, land included, when using the 2019 three year average median level of assessment for DuPage County of 32.99% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales and a map showing the locations of the comparables in relation to the subject property. The comparables are located from 0.13 to 0.24 of a mile from the subject property and within the same assessment neighborhood code as the subject property. The parcels range in size from 9,583 to 12,811 square feet of land and are improved with ranch-style homes of frame construction ranging in size from 1,806 to 2,130 square feet of living area. The dwellings were built in 1979 or 1984. The homes each have a basement with finished area, central air conditioning, a fireplace, and a garage ranging in size from 504 to 546 square feet of building area. The comparables sold from October 2017 to August 2018 for prices ranging from \$346,000 to \$509,500 or from \$191.58 to \$239.20 per square of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2019 for a price of \$335,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a realtor, the property had been advertised on the open market through the Multiple Listing Service, and it had been on the market for 185 days. In further support of the transaction the appellant submitted a copy of the closing statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$335,000 as of January 1, 2019. Since market value has been determined the 2019 three year average median level of assessment for DuPage County of 32.99% shall apply. 86 Ill.Admin.Code §1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
