

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dennis Melchiorre
DOCKET NO.: 19-09114.001-R-1
PARCEL NO.: 16-33-305-117

The parties of record before the Property Tax Appeal Board are Dennis Melchiorre, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,695
IMPR.: \$64,106
TOTAL: \$73,801

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story condominium of brick exterior construction with 1,208 square feet of living area. The dwelling was constructed in 1996. Features of the home include central air conditioning, a fireplace, and a carport containing 100 square feet of building area. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables are located in the same neighborhood code as the subject property and were built in 1996 or 1997. The comparables consist of one-story condominiums of brick exterior construction with 1,162 or 1,208 square feet of living area. Each dwelling has central air conditioning and a carport containing 100 square feet of building area. Comparables #1 and #3 each have a fireplace. The comparables sold from January 2018 to May 2019 for prices ranging from \$199,000 to \$213,000

or from \$164.73 to \$183.30 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$63,721.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,801. The subject's assessment reflects a market value of \$224,387 or \$185.75 per square foot of living area, land included, when using the 2019 three year average median level of assessment for Lake County of 32.89% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. Comparable #4 is the same as appellant's comparable #2. The comparables are located in the same neighborhood code as the subject property and consist of one-story condominiums of brick exterior construction with 1,208 or 1,284 square feet of living area. The dwellings were built in 1996 or 1997. Each dwelling has central air conditioning. Comparables #2 and #5 each have a fireplace. The comparables sold from May 2018 to June 2019 for prices ranging from \$210,000 to \$270,000 or from \$173.84 to \$210.28 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales, one of which was common to the parties, to support their respective positions before the Property Tax Appeal Board. These comparables sold for prices ranging from \$199,000 to \$270,000 or from \$164.73 to \$210.28 per square foot of living area, including land. The subject's assessment reflects a market value of \$224,387 or \$185.75 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
