

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Mayhall  
DOCKET NO.: 19-09236.001-R-1  
PARCEL NO.: 21-12-208-004

The parties of record before the Property Tax Appeal Board are Larry Mayhall, the appellant; and the LaSalle County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **LaSalle** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,087  
**IMPR.:** \$40,913  
**TOTAL:** \$50,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the LaSalle County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level dwelling of frame and brick construction with 2,188 square feet of living area. The dwelling was constructed in 1975. Features of the home include a full finished lower level, central air conditioning, a fireplace and a 576 square foot 2-car garage. The property has approximately 8,352 square feet of land area and is located in Ottawa, Ottawa Township, LaSalle County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located in Ottawa. The comparables have sites ranging in size from 7,100 to 31,799 square feet of land area that are improved with split-level dwellings containing from 1,956 to 2,184 square feet of living area. The dwellings were built from 1965 to 1976. The comparables have central air conditioning, a fireplace and a 2-car garage. The comparables sold from June 2016 to June 2018 for prices

ranging from \$111,000 to \$139,900 or from \$51.63 to \$69.02 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$50,000. The subject's assessment reflects a market value of \$149,701 or \$68.42 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for LaSalle County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located in Ottawa. The comparables have sites ranging in size from 7,405 to 10,454 square feet of land area that are improved with split-level dwellings containing from 1,728 to 2,348 square feet of living area. The dwellings were built from 1976 to 1986. Three comparables have central air conditioning, two comparables each have a fireplace and each comparable has a garage ranging in size from 500 to 576 square feet of building area. The comparables sold from December 2018 to June 2019 for prices ranging from \$152,000 to \$207,750 or from \$77.75 to \$88.83 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables due to their dissimilar site size, when compared to the subject, or their sale date occurring greater than 13 months prior to the January 1, 2019 assessment date at issue. The Board also gives less weight to the board of review's comparable #3 due to its smaller dwelling size, when compared to the subject. The Board finds the board of review's remaining comparables have varying degrees of similarity to the subject and also sold proximate to the January 1, 2019 assessment date at issue. The best comparables sold from December 2018 to June 2019 for prices ranging from \$152,000 to \$207,750 or from \$77.75 to \$88.48 per square foot of living area, including land. The subject's assessment reflects a market value of \$149,701 or \$68.42 per square foot of living area, including land, which falls below the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
