

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Marlett
DOCKET NO.: 19-09288.001-R-1
PARCEL NO.: 18-01-426-000

The parties of record before the Property Tax Appeal Board are John Marlett, the appellant; and the LaSalle County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **LaSalle** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,623
IMPR.: \$52,377
TOTAL: \$65,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the LaSalle County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling with vinyl siding and brick exterior construction containing 2,517 square feet of living area.¹ The dwelling was constructed in 1975. Features of the home include 841 square feet of basement living area, central air conditioning, a fireplace, an attached 672 square foot garage and a 648 square foot pole building. The property has a 1.99 acre or 86,684 square foot site and is located in LaSalle, LaSalle Township, LaSalle County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located in LaSalle. The comparables have sites with 9,600 or 10,454 square feet of land area that are improved with split-level or tri-level dwellings containing 2,490 or 2,704 square feet of living area. The

dwellings were built from 1974 to 1978. The comparables have basements with finished area, central air conditioning, one or two fireplaces and a 2-car or a 3-car garage. The comparables sold from October 2017 to February 2019 for prices ranging from \$167,000 to \$178,000 or from \$62.87 to \$71.48 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,000. The subject's assessment reflects a market value of \$194,611 or \$77.32 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for LaSalle County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that are located in LaSalle. The comparables have sites ranging in size from 21,780 to 248,728 square feet of land area that are improved with split-level or tri-level dwellings containing from 1,776 to 2,688 square feet of living area. The dwellings were built from 1973 to 1979. The comparables have basements with finished area, central air conditioning, a fireplace and a 480 or a 576 square foot garage. One comparable has a pole building. The comparables sold from May 2018 to August 2019 for prices ranging from \$193,000 to \$240,000 or from \$85.01 to \$108.67 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2 due to its sale date occurring greater than 14 months prior to the January 1, 2019 assessment date at issue. The Board also gives less weight to the board of review's comparable #3 due to its significantly smaller dwelling size, when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject and also sold proximate to the January 1, 2019 assessment date at issue. However, the appellant's best comparables have significantly smaller sites, when compared to the subject, and the board of review's best comparables have significantly larger sites, when compared to the subject. Nevertheless, the best comparables sold from May 2018 to August 2019 for prices ranging from \$167,000 to \$240,000 or from \$62.87 to \$100.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$194,611 or \$77.32 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
