

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bruce & Carrie Hilsgen
DOCKET NO.: 19-09289.001-R-1
PARCEL NO.: 18-25-321-012

The parties of record before the Property Tax Appeal Board are Bruce & Carrie Hilsgen, the appellants; and the LaSalle County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **LaSalle** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,637
IMPR.: \$28,030
TOTAL: \$31,667

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the LaSalle County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with vinyl siding exterior construction containing 1,372 square feet of living area. The dwelling was constructed in 1925. Features of the home include an unfinished partial basement, central air conditioning and a detached 2-car garage with 576 square feet of building area. The property has a .34 of an acre or approximately 12,500 square foot site and is located in Oglesby, LaSalle Township, LaSalle County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales that are located in Oglesby. The comparables have sites ranging in size from 12,800 to 19,250 square feet of land area that are improved with one-story dwellings containing from 912 to 1,208 square feet of living area. The dwellings were built from 1900 to 1928. The comparables have full unfinished basements, central air conditioning and a 1-car or a 2-car garage. The comparables sold from April 2018 to

September 2019 for prices ranging from \$69,900 to \$82,500 or from \$64.57 to \$76.64 per square foot of living area, including land.

Based on this evidence the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,667. The subject's assessment reflects a market value of \$94,811 or \$69.10 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for LaSalle County of 33.40% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located in Oglesby. The comparables have sites ranging in size from 6,970 to 16,117 square feet of land area that are improved with one-story dwellings containing from 989 to 1,289 square feet of living area. The dwellings were built from 1900 to 1948. The comparables have unfinished full or partial basements and a garage ranging in size from 308 to 576 square feet of building area. Three of the comparables have central air conditioning. The comparables sold from February 2018 to May 2019 for prices ranging from \$92,000 to \$130,000 or from \$73.70 to \$128.97 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellants' comparable #3, as well as the board of review's comparables #1, #2 and #4, due to their considerably smaller dwelling size, when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject and also sold proximate to the January 1, 2019 assessment date at issue. The best comparables sold from February 2018 to September 2019 for prices ranging from \$78,000 to \$95,000 or from \$64.57 to \$73.70 per square foot of living area, including land. The subject's assessment reflects a market value of \$94,811 or \$69.10 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
