

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Anderson
DOCKET NO.: 19-09322.001-R-1
PARCEL NO.: 14-28.0-376-023

The parties of record before the Property Tax Appeal Board are Michael Anderson, the appellant; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,199
IMPR.: \$19,300
TOTAL: \$23,499

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with vinyl exterior construction containing 1,248 square feet of living area. The dwelling was constructed in 1942. Features of the home include a partially finished basement, central air conditioning, a fireplace and a 228 square foot garage. The property has approximately 6,228 square feet of land area and is located in Springfield, Capital Township, Sangamon County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located within .4 of a mile from the subject. The comparables have sites ranging in size from 5,160 to 8,169 square feet of land area that are improved with 1-story, 1.5-story or 2-story dwellings containing from 1,160 to 1,630 square feet of living area. The dwellings were built from 1890 to 1982. The comparables have unfinished basements, central air conditioning and a garage ranging in size from 216 to 660 square feet of building area. The comparables sold from November 2018 to January 2020 for

prices ranging from \$31,500 to \$56,000 or from \$23.31 to \$48.27 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,499. The subject's assessment reflects a market value of \$70,546 or \$56.53 per square foot of living area, land included, when using the 2019 three-year average median level of assessment for Sangamon County of 33.31% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located within .5 of a mile from the subject. The comparables have sites ranging in size from 3,915 to 7,538 square feet of land area that are improved with 2-story dwellings containing from 1,248 to 1,859 square feet of living area. The dwellings were built from 1899 to 1931. The comparables have unfinished basements, central air conditioning, a fireplace and a garage ranging in size from 180 to 440 square feet of building area. The comparables sold from February 2017 to January 2020 for prices ranging from \$83,900 to \$109,000 or from \$48.33 to \$76.12 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1, as well as the board of review's comparables #2 and #4, due to their sale date occurring greater than 22 months prior to the January 1, 2019 assessment date at issue and/or their significantly larger dwelling size, when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject, however, each of these comparables has an older dwelling and lack finished basement area, unlike the subject. In addition, two of the parties' best comparables have sale dates occurring greater than 12 months after the January 1, 2019 assessment date at issue. Nevertheless, the best comparables sold from June 2019 to January 2020 for prices ranging from \$31,500 to \$99,800 or from \$24.51 to \$76.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$70,546 or \$56.53 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
