

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ryan K. & Jennifer D. Lynch
DOCKET NO.: 19-09412.001-R-1
PARCEL NO.: 15-17-300-012

The parties of record before the Property Tax Appeal Board are Ryan K. & Jennifer D. Lynch, the appellants; and the Jefferson County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Jefferson** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,197
IMPR.: \$32,303
TOTAL: \$35,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Jefferson County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction that was built in 2017. The dwelling contains 1,178 square feet of living area and is situated on a 2.94-acre site. Amenities include central air conditioning and a pole barn. The subject property is located in Spring Garden Township, Jefferson County.

The appellants contend assessment inequity as the basis of the appeal. The subject's land assessment was not challenged. In support of the inequity argument, the appellants submitted three comparable properties that have varying degrees of similarity when compared to the subject. The comparables have improvement assessments ranging from \$30,745 to \$39,467 or from \$21.93 to \$30.75 per square foot of living area.

The appellants also submitted the final decision issued by the Jefferson County Board of Review for the 2019 tax year. The subject property has a final assessment of \$48,750. The subject has an

improvement assessment of \$45,553 or \$38.67 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's assessment.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellants argued that the subject's assessment was inequitable. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The appellants submitted three assessment comparables to demonstrate the subject property was not uniformly assessed. The board of review did not submit any evidence in support of the correct assessment of the subject property or to refute the value evidence submitted by the appellants. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). The assessment comparables submitted by the appellants have varying degrees of similarity when compared to the subject and have improvement assessments ranging from \$30,745 to \$39,467 or from \$21.93 to \$30.75 per square foot of living area. The subject has an improvement assessment of \$45,553 or \$38.67 per square foot of living area, which falls above the range established by the only equity comparables contained in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is excessive and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
