

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mousa Abuhadba & Mahasen Hamideh
DOCKET NO.: 19-20173.001-R-1
PARCEL NO.: 12-12-316-001-0000

The parties of record before the Property Tax Appeal Board are Mousa Abuhadba & Mahasen Hamideh, the appellants, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,380
IMPR.: \$63,620
TOTAL: \$70,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and stone exterior construction with 4,226 square feet of living area. The dwelling was constructed in 2001. Features of the home include a full basement that is 90% finished, central air conditioning, two fireplaces and a 2-car garage. The property has a 7,975 square foot site and is located in Norridge, Norwood Park Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.¹

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$700,000 as of January 1, 2019.

¹ The Board finds the best evidence of the description and features of the subject is the appellants' appraisal.

Based on this evidence the appellants requested that the subject's assessment be reduced to reflect the appraised value.

The board of review submitted its "Board of Review Notes on Appeal." The subject has a total assessment of \$84,196, which reflects a market value of \$841,960 or \$199.23 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on two comparable properties, which are not located within the same neighborhood code as the subject, to demonstrate that the subject is being uniformly assessed.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellants estimating the subject property had a market value of \$700,000 as of January 1, 2019. The appraisal was completed using similar comparable properties, all of which are located in the subject's Norridge location, and contained appropriate adjustments to the comparable properties, which further advances the credibility of the report. The subject's assessment reflects a market value above the appraised value. The Board gives less weight to the board of review's submission, as the board of review did not challenge the accuracy of the appellants' appraisal and instead, submitted assessment information on two equity comparables, which is not responsive to the overvaluation argument brought by the appellants. Furthermore, the board of review's suggested comparable properties are located in Park Ridge, unlike the subject's Norridge location, and are significantly smaller in size when compared to the subject.

Based on the evidence in this record, the Board finds a reduction in the subject's assessment commensurate with the appellants' request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
