

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Staszak  
DOCKET NO.: 19-20549.001-R-1  
PARCEL NO.: 16-06-104-028-0000

The parties of record before the Property Tax Appeal Board are Edward Staszak, the appellant(s), by attorney Joel R. Monarch, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,636  
**IMPR.:** \$47,166  
**TOTAL:** \$63,802

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an 88-year-old, two-story, single-family dwelling of masonry construction with 2,862 square feet of living area. Features of the home include a partial finished basement with a formal recreation room, two fireplaces, central air conditioning and a two-car garage. The property has a 13,864 square foot site and is located in Oak Park, Oak Park Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables. They were improved with a two-story, single-family dwelling of masonry construction. The improvements ranged: from 84 to 88 years of age; in size from 2,678 to 3,097 square feet; and in improvement

assessment from \$15.28 to \$15.29 per square foot of living area. Based on this evidence, the appellant is requesting a total assessment amount of \$60,373.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,802. The subject property has an improvement assessment of \$47,166 or \$16.48 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables located within a ¼ mile radius of the subject with two comparables located within a one block radius of the subject. The improvements ranged: in age from 79 to 90 years; in size from 2,696 to 2,900 square feet of living area; and in assessment from \$16.52 to \$18.71 per square foot of living area.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof, and that a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2, #3 and #4 and the board of review's comparables #1, #3 and #4. These comparables had improvement assessments that ranged from \$15.28 to \$18.71 per square foot of living area. The subject's improvement assessment of \$16.48 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
