

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Nash
DOCKET NO.: 19-21395.001-R-1
PARCEL NO.: 05-34-210-002-0000

The parties of record before the Property Tax Appeal Board are Edward Nash, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,990
IMPR.: \$53,966
TOTAL: \$76,956

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,569 square feet of living area. The dwelling is approximately 107 years old. Features of the home include a full unfinished basement, central air conditioning, one fireplace and a 2-car garage. The property has a 10,450 square foot site located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with similar class 2-06 dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 2,645 to 2,832 square feet of living area. The

dwellings range in age from 104 to 126 years old. The comparables have full basements, two of which have finished area. One comparable has central air conditioning. Each comparables has one or two fireplaces and a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$49,625 to \$55,316 or from \$18.39 to \$20.03 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$49,145 or \$19.13 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,956. The subject property has an improvement assessment of \$53,966 or \$21.01 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with two-story class 2-06 dwellings of frame, stucco or frame and masonry exterior construction ranging in size from 2,328 to 3,004 square feet of living area. The dwellings range in age from 101 to 116 years old. Each comparable has a partial or a full unfinished basement, one or two fireplaces and a 1-car to a 2-car garage. One comparable has central air conditioning. The comparables have improvement assessments ranging from \$53,174 to \$107,064 or from \$22.84 to \$35.64 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the board of review's comparable #2 due to its larger dwelling size and significantly larger improvement assessment when compared to the subject and other comparables in this record. The Board finds the best evidence of assessment equity to be the appellant's comparables and the board of review's comparables #1, #3 and #4 as they are most similar to the subject in location, design and/or class, age, dwelling size and many features, except two comparables have finished basement area, in contrast to the subject's unfinished basement area, requiring downward adjustments to make them more equivalent to the subject. These comparables have improvement assessments of \$49,625 to \$56,405 or from \$18.39 to \$23.58 per square foot of living area. The subject's improvement assessment of \$53,966 or \$21.01 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
