

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Hardgrove  
DOCKET NO.: 19-21516.001-R-1 through 19-21516.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are James Hardgrove, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
19-21516.001-R-1	11-19-119-016-0000	12,149	76,677	\$88,826
19-21516.002-R-1	11-19-119-017-0000	12,687	0	\$12,687

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story, single-family dwelling of frame construction with 3,372 square feet of living area. The building is 116 years old. Features include a full, unfinished basement, a one-car garage, and a fireplace. The property has an 8,379 square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance. The subject property is on PINs 11-19-119-016-000 and 11-19-19-119-017-0000.

The appellant asserts assessment inequity as a basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" stating that the total assessment for the subject was \$88,826, but this only covers PIN 11-19-119-016-0000. The

entire subject property has a total assessment of \$101,513. The subject property has an improvement assessment of \$76,677 or \$22.74 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables.

### **Conclusion of Law**

The taxpayer asserts assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes “be levied uniformly by valuation ascertained as the General Assembly shall provide by law.” Ill. Const., art. IX, § 4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4<sup>th</sup> Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). It is recommended that proof of unequal treatment in the assessment process consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds that this burden of proof is not met, and a reduction in the subject's assessment is not warranted.

The Board finds that the best evidence of assessment equity is the board of review’s suggested comparables one, three, and four. Like the subject property, these comparables are each improved with a two-story, single-family residence of frame construction with a garage and at least one fireplace. The dwellings on these comparables are similar in living area size and age to the subject’s dwelling. Each of these comparables is within a quarter mile of the subject, and two are within a block. Two of the comparables have a full, unfinished basement, like the subject.

These comparables had improvement assessments that ranged from \$22.82 to \$26.13 per square foot of living area. The subject's improvement assessment of \$22.74 per square foot of living area is below the range established by the best comparables in this record. Accordingly, the Board finds that the appellant failed to show by clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment on this basis is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
