

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eun Lee
DOCKET NO.: 19-22011.001-R-1
PARCEL NO.: 05-32-202-050-0000

The parties of record before the Property Tax Appeal Board are Eun Lee, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,887
IMPR.: \$28,106
TOTAL: \$38,993

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,230 square feet of living area. The dwelling is approximately 64 years old. Features of the home include a full basement with finished area, central air conditioning, one fireplace and a 1-car garage. The property has an 8,710 square foot site located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with one-story dwellings of masonry or frame and masonry exterior construction ranging in size from 1,607 to 1,645 square feet of living area. The comparables

range in age from 62 to 65 years old. Each comparable has a partial or a full basement with finished area, central air conditioning and a 1.5-car or a 2-car garage. Two comparables have either one or two fireplaces. The comparables have improvement assessments ranging from \$29,627 to \$34,007 or from \$18.01 to \$20.71 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$24,071 or \$19.57 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,993. The subject property has an improvement assessment of \$28,106 or \$22.85 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with one-story dwellings of frame exterior construction ranging in size from 1,209 to 1,351 square feet of living area. The comparables are either 62 or 64 years old. Three comparables have a partial or a full unfinished basement and one comparable has a concrete slab foundation. Three comparables have central air conditioning. Each comparable has one or two fireplaces and a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$29,761 to \$34,979 or from \$22.90 to \$25.89 per square foot of living area. Based on this evidence, the board of review requested the subject's improvement assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables and the board of review's comparable #1 due to their considerably larger dwelling sizes or lack of a basement, respectively, when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #2, #3 and #4 as they are most similar to the subject property in location, design, exterior construction, dwelling size and most features, except each comparable has an unfinished basement requiring upward adjustments to their improvement assessments for this difference. These comparables have improvement assessments ranging from \$29,761 to \$34,979 or from \$24.62 to \$25.89 per square foot of living area. The subject's improvement assessment of \$28,106 or \$22.85 per square foot of living area falls below the range established by the best comparables in this record. After considering adjustments to the comparables for differences to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence

that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
