

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy and Lisa Brown
DOCKET NO.: 19-22129.001-R-1
PARCEL NO.: 05-34-115-025-0000

The parties of record before the Property Tax Appeal Board are Timothy and Lisa Brown, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,240
IMPR.: \$31,676
TOTAL: \$43,916

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 101 year old, two-story, single-family dwelling of frame and masonry construction. Features of the dwelling include one bath, a full unfinished basement, one fireplace, and a two-car garage. The property has a 6,120 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance (hereinafter "Ordinance").

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables and Cook County Assessor printouts for each comparable. In addition, the appellant's appeal states that the subject's size contains 2,629 square feet of living area and should be changed to a class 2-06 property. In support, the appellant submitted a Cook County Assessor appeal evidence, plat of survey, and one page of a 2016 appraisal report stating the subject contains 2,629 square feet of living area. The appellant requested the subject's total assessment be increased to \$77,073.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,916 and contains 1,190 square feet of living area. The subject has a total improvement assessment of \$31,676 or \$26.62 per square foot of living area. In support of the assessment, the board of review submitted four equity comparables.

Conclusion of Law

The Board finds that based on the plat of survey and appraisal report the subject contains 2,629 square feet of living area and is a class 2-06 property. The subject has a total improvement assessment of \$31,676 or \$12.04 per square foot of living area.

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables are similar in location, age, amenities, and size. These comparables had improvement assessments that ranged from \$22.48 to \$23.90 per square foot of living area. The subject's improvement assessment of \$12.04 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds that a change in the subject's assessment would result in an increase in the subject's assessment. However, the Board shall not increase the subject's assessment and finds a change in the subject's assessment not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
