

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anna Zubek  
DOCKET NO.: 19-22157.001-R-1  
PARCEL NO.: 23-23-101-055-0000

The parties of record before the Property Tax Appeal Board are Anna Zubek, the appellant(s), by attorney John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,937  
**IMPR.:** \$10,313  
**TOTAL:** \$13,250

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1,632 square foot parcel of land improved with a 48-year-old, two-story, frame and masonry, attached, single-family dwelling containing 1,664 square feet of building area. The property is located in Palos Hills, Palos Township and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity and overvaluation as the bases of the appeal. In support of the equity argument, the appellant submitted five comparables. The comparables are described as two-story, frame and masonry, attached, single-family dwellings. They range: in age from 44 to 48 years; in size from 1,274 to 2,093 square feet of building area; and in improvement assessment from \$7.08 to \$7.61 per square foot of building area.

In support of the market value argument, the appellant submitted five sales comparables. The comparables are described as one-story, masonry or frame and masonry, attached, single-family dwellings containing from 1,274 to 1,644 square feet of building area. They sold from October 2017 to October 2018 for prices ranging from \$70.00 to \$81.00 per square foot of building area, rounded.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of \$17,178 with an improvement assessment of \$14,241 or \$8.66 per square foot of building area. The subject's total assessment reflects a market value of \$171,780 or \$104.49 using when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted four comparables with sales information on one. The comparables are described as two-story, frame and masonry, attached, single-family dwellings. They are 47 or 48 years old, contain 1,644 square feet of building area, and have improvement assessment from \$8.72 to \$9.09 per square foot of building area. Comparable #2 sold in November 2017 for \$132,500 or \$80.60 per square foot of building area.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 and the board of review's comparables. These comparables had improvement assessments ranging from \$7.42 to \$9.09 per square foot of building area. The remaining comparables were given less weight due to differences in size. In comparison the subject's improvement assessment of \$8.66 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

The appellant also contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables #1 and #4 and the board of review's comparable #2. These properties sold from October 2017 to October 2018 for prices ranging from \$69.95 to \$80.60 per square foot of building area. The remaining

comparables were given less weight due to differences in size. In comparison, the subject's assessment reflects a market value of \$104.49 per square foot of building area which is above the range of these comparables. Therefore, the Board finds the appellant has proven by a preponderance of the evidence that the subject was overvalued, and a reduction is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
