

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ashley Danis
DOCKET NO.: 19-22233.001-R-1 through 19-22233.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Ashley Danis, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-22233.001-R-1	05-29-209-015-0000	21,267	2,340	\$23,607
19-22233.002-R-1	05-29-209-013-0000	34,804	83,934	\$118,738

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property has two PINs: PIN 05-29-209-013-0000 and PIN 05-29-209-015-0000, both of which are listed as having an improvement. The appellant is only requesting a reduction for PIN 05-29-209-013-0000. This PIN consists of an 87-year-old, two-story, single-family dwelling of frame and masonry construction with 4,666 square feet of living area. Features of the home include a partial basement with a formal recreation room and a two-car garage. The property has a 20,473 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of the equity argument, the appellant submitted information on four suggested equity comparables. The appellant did not report the exact proximity of the comparables to the subject but disclosed

neighborhood codes, all of which are the same as the subject property. The appellant submitted an "Addendum to Petition" that breaks down the board of review determined assessment and appellant's claim for each of the two PINs. The appellant does not request a reduction for PIN 05-29-209-015-0000. The appellant also submitted evidence, including a board of review "Assessed Valuations" document, disclosing the total assessment for PIN 05-29-209-013-0000 of \$164,453 and for PIN 05-29-209-015-0000 of \$23,607 for a total of \$188,060. The subject property has a total improvement assessment of \$131,989 or \$28.29 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" erroneously disclosing the total assessment for PIN 05-29-209-013-0000 of \$116,927 and an improvement assessment of \$88,265 or \$22.65 square foot of living area. The board of review did not include information on PIN 05-29-209-015-0000. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, and #4 and the board of review comparable #1. These comparables had improvement assessments that ranged from \$15.99 to \$23.04 per square foot of living area. The subject's improvement assessment of \$28.29 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
