

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Kaplan
DOCKET NO.: 19-22251.001-R-1
PARCEL NO.: 05-07-213-019-0000

The parties of record before the Property Tax Appeal Board are Jeffrey Kaplan, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,675
IMPR.: \$57,751
TOTAL: \$103,426

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 77-year-old two-story single-family dwelling of masonry construction with 3,640 square feet of living area. Features of the home include a full basement with finished area, one fireplace and a 2-car garage. The property has a 21,750 square foot site located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four Class 2-06 comparables with varying degrees of similarities to the subject. The appellant did not report the proximity of the comparables to the subject but disclosed they have the same neighborhood code as the subject. The comparables had improvement assessments ranging from \$40,342 to \$62,339 or from

\$10.08 to \$13.72 per square foot of living area. The appellant requested the subject's total assessment be reduced to \$90,629.

The board of review erroneously submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$ \$116,197. However, the appellant submitted the board of review's decision letter that set the total assessment amount for the subject at \$ 103,426 in 2019. The subject property has an improvement assessment of \$57,751 or \$15.87 per square foot of living area. Within the "Board of Review Notes on Appeal," the board of review submitted information on four suggested equity comparables located either within a ¼ mile radius or within a block of the subject. The board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject. The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The record contains eight equity comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be appellant's comparables #2, #3 and #4 and the board of review's comparables all of which have varying degrees of similarity to the subject in location, age, dwelling size, and features. These equity comparables had improvement assessments ranging from \$12.47 to \$25.92 per square foot of living area. The subject's improvement assessment of \$15.87 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
