

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Jones
DOCKET NO.: 19-22253.001-R-1 through 19-22253.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Richard Jones, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-22253.001-R-1	05-17-413-008-0000	13,500	27,648	\$41,148
19-22253.002-R-1	05-17-413-031-0000	6,750	14,418	\$21,168

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 106-year-old, two-story, single-family dwelling with a stucco exterior and 1,968 square feet of living area. The subject property has two Property Index Numbers (PINs). Features of the home included a full unfinished basement, a fireplace and a one-car garage. The property has a 6,000 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument, the appellant submitted data and descriptions on four suggested equity comparables located in the area of the subject property. The appellant provided evidence in the form of a board of review decision that showed the total assessment for PIN 05-17-413-008-0000 to be \$43,450 and the total assessment for PIN 05-17-413-031-0000 to be \$22,877 for a total assessment for both PINs

of \$66,327. The subject property has a total improvement assessment of \$46,077 or \$23.41 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,450 for PIN 05-17-413-008-0000. The board of review did not supply any evidence directly related to PIN 05-17-413-031-0000. In support of its contention of the correct assessment the board of review submitted data and descriptions on four suggested equity comparables. Three of the suggested comparables had a different neighborhood code as the subject.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments that ranged from \$20.33 to \$22.79 per square foot of living area. The subject's improvement assessment of \$23.41 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
