

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Hrabe
DOCKET NO.: 19-22259.001-R-1
PARCEL NO.: 05-34-206-004-0000

The parties of record before the Property Tax Appeal Board are Richard Hrabe, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,500
IMPR.: \$78,425
TOTAL: \$94,925

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of stucco exterior construction with 3,132 square feet of living area. The dwelling is approximately 113 years old. Features of the home include a full unfinished basement and a two-car garage. The property has a 7,500 square foot site located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of stucco exterior construction ranging in size from 2,544 to 2,870 square feet of living area. The comparables range in age from 104 to 116 years old. Each comparable has a full unfinished basement, one or two fireplaces and a two-

car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$54,297 to \$61,944 or from \$20.13 to \$22.20 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$66,492 or \$21.23 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$83,843. However, the appellant's submission included a copy of the final decision from the Cook County Board of Review dated November 22, 2019 revealing the subject has a total assessment of \$106,538. The appellant's petition indicated the final assessment included a land assessment of \$16,500 and an improvement assessment of \$90,038 or \$28.75 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 2,898 to 3,099 square feet of living area. The comparables range in age from 108 to 117 years old. Each comparable has a full basement with two having finished area. Three comparables each have central air conditioning and a two-car garage. Each comparable has one fireplace. The comparables have improvement assessments ranging from \$76,941 to \$86,898 or from \$24.90 to \$28.47 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 and the board of review's comparables #1, #2 and #4 due to their finished basements, smaller dwelling sizes and/or lack of a garage when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #3 and the board of review's comparable #3 as they are most similar to the subject property in location, design, age, dwelling size, basement and features. These comparables have improvement assessments ranging from \$57,777 to \$86,898 or from \$20.13 to \$28.47 per square foot of living area. The subject's improvement assessment of \$90,038 or \$28.75 per square foot of living area exceeds the range established by the three best comparables in this record and is not supported by the evidence. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
