

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marcia Fields  
DOCKET NO.: 19-22721.001-R-1  
PARCEL NO.: 05-21-103-006-0000

The parties of record before the Property Tax Appeal Board are Marcia Fields, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,705  
**IMPR.:** \$87,469  
**TOTAL:** \$100,174

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 3,803 square feet of living area. The dwelling is approximately 78 years old. Features of the home include a full unfinished basement, central air conditioning, two fireplaces, and a 1-car garage. The property has a 5,647 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a Class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with Class 2-06 dwellings of frame exterior construction ranging in

size from 3,939 to 4,684 square feet of living area. The dwellings range in age from 96 to 109 years old. Each comparable has a full basement with one having finished area, central air conditioning, one or two fireplaces, and a 1.5-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$82,165 to \$98,237 or from \$20.86 to \$21.42 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$80,053 or \$21.05 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$100,174. The subject property has an improvement assessment of \$87,469 or \$23.00 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. Three of the comparables are also located on the same block as the subject. The comparables are improved with Class 2-06 dwellings of frame, stucco or frame and masonry exterior construction ranging in size 3,248 to 3,895 square feet of living area. The dwellings range in age from 77 to 106 years old. Each comparable has a partial or full unfinished basement, one or two fireplaces, and a 1-car or a 2-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$77,920 to \$96,977 or from \$23.99 to \$26.21 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review comparables #3 and #4 due to their significantly older age when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables #1 and #2. Although considerably smaller in dwelling size, these comparables are located on the same block as the subject and are closer in age to the subject dwelling. These two comparables have improvement assessments of \$77,920 and \$83,335 or \$23.99 and \$24.79 per square foot of living area. The subject's improvement assessment of \$87,469 or \$23.00 per square foot of living area falls above the improvement assessment of the two best comparables in this record and below the two best comparables on a per-square-foot basis, which is justified based on its larger dwelling size. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
